

On the occasion of the
World Environment Day,
 the Port Authority of Valencia and the companies
 companies involved in the port community
 have made a virtual presentation
 on their website: www.diadelmedioambienteapv.es.

On **5 june**, an online webinar, among other activities,
 will be held, and will be opened by the President
 President of the Port Authority of Valencia.
 You can find the registration form
 on the webinar section, as well as
 the detailed programme of this day.
 In addition, an online educational game
 for children is also offered.
