

# Earth Day

ENVIRONMENTAL  
TIPS

# #83

The United Nations decided to designate the 22<sup>nd</sup> of April as "International Mother Earth Day".

Thousands of organisations and millions of people across the planet will take action for the environment.

How can we celebrate this day?

- By remembering the "three Rs": Recycle, re-use and reduce consumption.
- Change your old light bulbs to more efficient technology.
- Use renewable energy and try to reduce your use of energy from.
- It is a good day to plant a tree.
- Play with children on the street and teach them the importance of taking care of the environment.
- Stop using plastic bags.
- Use a bicycle and public transport.
- Practice outdoor sports.

Our best legacy for future generations is a habitable planet.
