

Valenciaport participates in

ENVIRONMENTAL TIPS #78

ecofira. feria internacional de las soluciones medioambientales y las energías.

The sixteenth edition of Ecofira will be held from the 6th to the 8th of November at Feria Valencia and will cover the most pressing challenges of the environmental sector.

The Port Authority of Valencia (PAV) will share a stand with Baleària Eurolíneas Marítimas and Boluda Corporación Marítima at Ecofira, the international fair for environmental solutions and energy. At the fair it will showcase the close collaboration that it maintains with the port community to reduce its environmental impact and the work it is undertaking to improve energy efficiency.
