

Global RECYCLING Day 17 OF MAY

As every year since 2005, the world celebrates the Global Recycling Day for **the purpose** of raising awareness of the importance of treating waste properly in order to **protect the environment**.

ENVIRONMENTAL MESSAGES

#116

May 2022

“Use” every resource over and over again and put an end to the throwaway idea.

Circular economy.

If you have to throw away, **separate the waste and dispose of it in the appropriate bin:**

Blue bin: paper and cardboard.

Yellow bin: plastic.

Green bin: glass.

Brown bin: organic matter

Grey bin: other waste.

**Reduce the
amount of
litter.**

**Reuse
objects
that can be
reused.**

**Recycle and
repurpose
materials
and objects.**

**The APV joins this celebration to
contribute to a responsible and
advanced society.**
