

European CAR FREE Day

ENVIRONMENTAL ADVICES

#100

Sprout

This day is celebrated every year and the main goal is to raise awareness that large-scale car use causes great damage to the environment. Let's try not to use this means of transportation for a day and let's move around in a more sustainable way.

22 SEPTEMBER 2020

Cofinanciado por el Programa "Horizonte 2020" de la Unión Europea

The **APV** through the **Valenciaport Foundation** collaborates with **Ferrocarrils de la Generalitat Valenciana** and **Valencia City Council** in the **Sprout project** to improve the intermodality of some metro stations through the installation of bike parking spaces for users.
