World Environmental Day

PURPOSE: ZERO EMISSION PORTS

On **4 June** as part of the activities programmed for World Environment Day and from the website www.diadelmedioambienteapv.es, the Port Authority of Valencia and the participating companies of the port community will hold an online webinar.

You can find the registration form on the webinar section or at the following link: <https://forms.gle/ZVwpkMpw53HVpseR9>, as well as the detailed programme of this day.

Follow us on our social media and help us reach more people by clicking on "like".
