Tariff schedule applicable from 03/07/2025 to the maximum tariffs for the mooring and unmooring service in the Port of Valencia upon implementation of the 0.5% increase in the salaries of public sector personnel provided for in article 6.2 of Royal Decree-Law 4/2024, published in the Official State Gazette no. 158 dated 02/07/2025.

On 14 January 2025, the Port Authority General Manager CSV “3cp5 4BQn ucsN xrto cNYc dufz RnU=” approved the maximum tariffs for the port service of mooring and unmooring vessels in the Port of Valencia.

The resolution determines that:

*‘Article 6 of Royal Decree-Law 4/2024 of 26 June provides for a 2 per cent increase in the remuneration of public sector staff, with effect from 1 January 2024, to be calculated according to the remuneration values in force on 31 December 2023. Furthermore, the possibility of an additional and permanent increase of 0.5% is established if the sum of the variation in the advance Consumer Price Index (CPI) for the years 2022, 2023 and 2024 exceeds the increase in remuneration applied during those same years. If implemented, this would result in a **total tariff increase of 2.356%.**’*

On 02/07/2025, the increase of 0.5% in the salaries of public sector personnel provided for in article 6.2 of Royal Decree-Law 4/2024 referred to in the resolution was published in the Official State Gazette no. 158, and therefore it is appropriate to apply it automatically and to publish the new tariff schedule, which is included as Annex I, and to update the tariffs for intervention in emergency situations, rescue operations, firefighting or pollution control, which is included as Annex II.
