TERMS AND CONDITIONS:

1. A 100% surcharge shall be added to manoeuvres involving vessels whose engines are not running.
2. Vessels that anchor for the convenience of the shipowner or Captain, in terms of putting into port, receiving supplies whilst at anchor, awaiting orders, etc., shall be charged 75% of the manoeuvre tariff provided there is an effective provision of service on board the ship.
3. Tariffs for nautical manoeuvres within the port for changing berths will be charged 25% more than the normal corresponding rate (1.25*tariff).
4. There are no surcharges for services provided at night, on public holidays, or for any other charge previously used in pilotage services (VHF, pilotage service insurance, etc.)
