

MAXIMUM TARIFFS

PORT SERVICE FOR MOORING AND UNMOORING IN SAGUNTO PORT

Entry into force: 4 February 2022

Applicable regulation: *Provision 23.^a of the Resolution of 19 October 2021, of the Port Authority of Valencia, publishing the approval of the Specific Provisions for mooring and unmooring in Sagunto Port. Official State Gazette (BOE) No. 264 of 4 November 2021: [Provision 18013 of BOE No. 264 of 2021 \(valenciaport.com\)](http://www.boe.es/boe-2021-11-04/BOE-A-2021-18013.html)*

A) Maximum tariffs for each mooring or unmooring service:

- T 0 Tariff single formula based on GT of vessel:

$$\text{Tariff T (€)} = 53.07 + 10.65 * (\text{Gt} / 1000)$$

- These tariffs will be charged per vessel and mooring or unmooring operation, including the number of ropes deemed necessary by the captain of the vessel or the pilot acting on the captain's behalf.
- Changes within the same dock of less than three bollards or approximately 60 metres, shall be charged at 50% of the tariff applicable to a mooring operation. Other changes shall be charged as a mooring operation.
- For mooring and unmooring operations on the SAGGAS S.A. regasification dock, an 80% surcharge shall apply to the base tariff, with the use of support vessels included in such surcharge.
- The maximum tariff for using a vessel is T(€) = €96 per service. The applicable tariff for using support vessel shall be charged with the tariff corresponding to the mooring service.

B) Rules of application:

The tariffs shall apply regardless of the number of ropes used in each case or weather event, as determined by the Captain of the vessel.
