TERMS AND CONDITIONS

- 1) Every ship that enters the Port of Sagunto and uses the pilotage service shall be charged for each manoeuvre performed, i.e. for manoeuvring a vessel into port, and for manoeuvring a vessel out of port.
- 2) Changes from one quay to another shall only be charged as one manoeuvre.
- 3) Vessels coming into the commercial port which have to anchor outside for operational reasons attributed to the port shall not be charged for anchoring.
- 4) Vessels that anchor for the convenience of the shipowner or Captain, in terms of putting into port, receiving supplies whilst at anchor, awaiting orders, etc., shall be charged 75% of the manoeuvre tariff.
- 5) An 80% surcharge shall be added to berthing and unberthing manoeuvres that take place at the jetty in Sagunto.
- 6) A 100% surcharge shall be added to manoeuvres involving vessels whose engines are not running.
- 7) There are no surcharges for services provided at night, on public holidays, or for any other charge previously used in pilotage services (VHF, pilotage service insurance, etc.).
